Product Description:

Type	:	RHIB
Type Designation	:	ION 10.5
Construction Material	:	FRP
Length of Hull, L_H	:	10,70 m
Beam of Hull, B_H	:	3,00 m
Draught,T max.	:	0,52 m
Light Craft condition mass	:	3975 kg
Engine Type	:	Outboard Motor
Propulsion System(s)	:	X Long Tail Shaft
Max.Speed	:	75 knots

Applications/Limitations:

Design Category : B

Max. Engine Power : 672 kW

Max. load as stated on Builder's Plate (incl. persons, equipment): 1575 kg

Max. no of persons : 10

Assessment Documantation:

Approved Stability Calculation Worksheets acc. to EN ISO 12217-1by Türk Loydu on EPAS.

Applied Standarts:

EN ISO 12217-1

Tests Carried out:

N/A

Marking of Product:

- WIN-Code : TR-RIB1YL011122
- CE Mark + 1785

Terms and Conditions:

The product liability rests with the manufacturer or his representative in accordance with related Council Directives. The certificate holder has to inform Türk Loydu of all modifications to the approved product which must receive additional approval where such changes may affect the conformity with the essential requirements or the prescribed conditions for use of the product. This additional approval will be given in the form of an addition to this original EC Attestation of Conformity by Türk Loydu. Any changes in design or construction of the product or any changes or amendments to the Directive or any changes or amendments in the standards which form the basis for documenting compliance with the essential requirements of the Directive may render this certificate invalid.

This document relates only to the EU Recreational Craft Directive. Different directives or legislation may apply to other components fitted onboard the watercraft. It is the responsibility of the person signing the declaration of conformity to ensure such components are compliant with all applicable legislation.

If any person suffers loss or damage which is proved to have been caused by any negligent act or omission of Türk Loydu, that loss is compensated within the limits of "Professional Indemnity Insurance".
