Terms and Conditions:

The product liability rests with the manufacturer or his representative in accordance with related Council Directives. The certificate holder has to inform Türk Loydu of all modifications to the approved product which must receive additional approval where such changes may affect the conformity with the essential requirements or the prescribed conditions for use of the product. This additional approval will be given in the form of an addition to this original EC Type-Examination Certificate by Türk Loydu. Any changes in design or construction of the product or any changes or amendments to the Directive or any changes or amendments in the standards which form the basis for documenting compliance with the essential requirements of the Directive may render this certificate invalid.

This document relates only to the EU Recreational Craft Directive. Different directives or legislation may apply to other components fitted onboard the watercraft. It is the responsibility of the person signing the declaration of conformity to ensure such components are compliant with all applicable legislation.

If any person suffers loss or damage which is proved to have been caused by any negligent act or omission of Türk Loydu, that loss is compensated within the limits of "Professional Indemnity Insurance".
