Product Description:

Type of Craft	: RHIB
Design Category	: B
Length overall, L max	: 10.3 m
Length of Hull, LH	: 10.3 m
Beam of Hull, BH	: 3.2 m
Draught, T max	: 0,53 m
Type of Engine(s)	: Outboard
Propulsion System(s)	: Long Tail Shaft
Type of Fuel	: Petrol
Construction Material	: FRP
Max Speed	: 53 knot
Max. Engine Power	: 2 x 350 HP
Max. number of persons	: 10
Max. load (incl. persons, equipment, fuel): 1050 kg	
Max. Total Load (incl. engine, equipment): 4959 kg	

Applications/Limitations:

This Certificate is concerned with the design of the product, only. In order to fully meet with the requirements of the Directive and legally affix the CE mark, the manufacturer must also have the final product and/or production assessed according to the conformity assessment procedure described in Article 19 of Directive 2013/53/EU and Annex II (Module C or Module D or Module E or Module F) of Decision No. 768/2008/EC and finally draw up an EC declaration of conformity.

This boat is considered to be designed to operate in typical steady winds of Beaufort force 8 or less and associated significant wave heights of up to 4 m.

Assessment Documentation:

Approved Technical File completed on 12/06/2025

Applied Standards:

Applicable harmonized ISO standards are mentioned in Directive 2013/53/EU of the European Parliament and of the Council of 20 November 2013.

Marking of Product:

- WIN: TR-RIB1YRXXXXXX
- CE mark followed the identification number of Türk Loydu (1785).

Berna KORKMAZ
Surveyor

Terms and Conditions:

The product liability rests with the manufacturer or his representative in accordance with related Council Directives. The certificate holder has to inform Türk Loydu of all modifications to the approved product which must receive additional approval where such changes may affect the conformity with the essential requirements or the prescribed conditions for use of the product. This additional approval will be given in the form of an addition to this original EC Type-Examination Certificate by Türk Loydu. Any changes in design or construction of the product or any changes or amendments to the Directive or any changes or amendments in the standards which form the basis for documenting compliance with the essential requirements of the Directive may render this certificate invalid.

This document relates only to the EU Recreational Craft Directive. Different directives or legislation may apply to other components fitted onboard the watercraft. It is the responsibility of the person signing the declaration of conformity to ensure such components are compliant with all applicable legislation.

If any person suffers loss or damage which is proved to have been caused by any negligent act or omission of Türk Loydu, that loss is compensated within the limits of "Professional Indemnity Insurance".
