

# TÜRK LOYDU

## TECHNICAL CIRCULAR

**Circular No:** S.P 27/13

**Revision:** Deleted

**Page:** 1

**Adoption Date:** Aug 2015

**Related Requirement:** UI MPC3 (Deleted)

**Subject:** Machinery space oil discharge monitoring and control systems

**Entry into Force Date:** Aug 2015

UI MPC3 states that as neither Regulation 16(5) nor Resolution A444(XI) specifically require it, a Classification Society cannot insist on automatic recording of date and time in an oil discharge monitoring and control system provided for 100 ppm oily water separating equipment,

IACS UI MPC3 is deleted on 1 Aug 2015 and S-P 27/13 is withdrawn.
